SECOND APPEAL FROM GALVESTON.

Stricken City Calls on American People for Money to Continue Work of Relief.

Galveston, Tex., Sept. 25.- The following | bind up bruises, but will, in very large should appeal was issued to-night: "To the American poople:

"Seventeen days after the storm at Gat- people to a plane of self-support and selfeston it is still impossible to accurately es-Smate the loss of life and property It is known that the dead in the city will numher ut least 6,000, or approximately one-sixth of the cersus population. The island 2000 to this number:

"The actual property demans is incalculable in precise terms, but we have the in dividual lower and lower in public property, such as paying, waterworks, schools, conducts, churches, etc., which will easily amount to \$0.005,000. This estimate takes the business ability and discretion of our to account of the direct and indirect injury | Control Relief Committee.

"Along the beach front upwards of 2,600 mees, by netwel map count, were totally o four block inward for about three miles, he removal of which will cost \$150,000 to

Bodies Being Uncovered Daily.

"From this debtis there are still dally covered by the workmen, now systematally employed, from thirty to fifty bodies, thich are burned or burled upon the spot Moreover, we estimate that \$75 per cent of he remaining houses throughout the city ire damaged in greater or less degree. On of the streets, to make temporary repairs a houses, in distributing supplies and in general work of restoration, our entire tizenship are engaged.

tion of their business and lend the other | met the terrible conditions of their mis-two to the public service. The stevedores, fortune and their capability of wisely, otton-jammers and other bodies of organized skilled workmen, who command handome wages at this time of the year, have espelation has, beauties, contributed from he charity fund \$1,000 in cash to the general

"This devotion to the general welfare at te expense of private interests is shown y all classes. Visiting newspaper men new here will bear witness to this universal

Expressions of Gratitude for Help. "The burdens of our committees rnor J. D. Sayers, who has personally un dertaken the supervision of relief to the natriand sections, and by the splendid suc ess of Adjutant General Scorry and staff n maintaining discipline and directing lar until the beginning of this work, when his department was merged into the regular

"We cannot command language to express our gratitude for the generous sup-plies of food, clothing, disinfectants, etc., rom all quarters and all agencies. Nor caswe overtate the service performed by the American press, And we desire to make medial recognition of the metropolitan newsapers and the Red Cross Society that have alsed funds and sent relief trains and argoes, and whose representatives are here or only distributing their supplies, but ofning hands with us in the sorrowful and strengous labors of the occasion.

"By the world's generosity, there has been to hunger and new no nakedness in Galreston. And especially do we ruturn grate ful thanks for the surpassing and unlimited enerusity of the railroads, express, teleeach and telephone companies, without whose prompt assistance we would longer have remained in isolation and chaos, and who are not only rendering services for relef work free of charge, but are giving it or codence over any other business

Further Relief Work Imperative. "The munificent contributions in mone

sent to the Governor and directly to the Rollef Committee are perhaps sufficient to defray the necessary expenses of removing the wreckage and disposing of the dead bodies and meeting the most argent sand tary requirements. But when this is denthe special work of restoration will have begun. The homeless will still be without shelter or household goods, the mechanic without tools, the washerwoman without washtubs and the seamstrees without machine.

"Our people are meeting this disaster with characteristic American pluck. Not forzetting their dead, they nevertheless ilde their sorrow and turn their faces toward the future. "Were our task but to afford temperary

relief and to care for the wounded and orphans an appeal to Texas alone would The wounded and orphan-The argument of the case before the jury are comparatively few, since the stuwere able to combat the maddened ele-

"But a greater and a grave work con fronts us. Some kind of homes, he they tory, his argument was conceded to be a ever so humble, must be provided for the 10,600 people now haddled in ruined houses, It is generally believed that the jury is public places and improvised camps, to the end that they may not become purpers, not be found, as it is supposed the jurors but may speedily set up their households are divided on the question as to Howard's wherein repose all that is best and noblest

Money Is Needed Now Above All. "We believe that the well-to-do and "Boro-Formalin" (Eimer & Amend) as an antiseptic, cleansing mouth and tooth wash, is unsurpassed.

"We believe that the well-to-do and and Works off the Cold.

and Works off the Cold.

Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. Price 2 cts.

measure and with more far-reaching effect, contribute to the restoration of this respect. It is for this purpose that we make this further appeal.

. "For such temporary measures as are explained in the foregoing we have at presen sufficient supplies. But they are only adjacent mainland will add, perhaps, I tillie of the larger needs herein set forth, and the generous people of the nation will best serve the situation and their own aims by making their contributions in money.

"In the midst of sorrow such as no other American community ever suffered, we are estroyed. Of these not a timber remains prompt relief tendered by our countrymen on the original site, and the wreckness and other nations in the demonstration of distillates the embackment of debris ex- | kinship of the world. With our last breath nding along the entire beach from three | we will bless the donors of these funds and our every effort will be devoted to proving

Why the Mikado Is Against Partitioning China.

REPUBLIC SPECIAL.

New York, Sept. %.—Hajime Hoshf, editor f the Tokio Evening News, with two other young Japanese represented the press of Japan at the International Press Congress, held at the Paris Exposition, has arrived in New York.

Mr. Hoshi is a student of and is imbued

with American ideas.

"Japan does not wish to divide China,"
says Mr. Heshi, "because in the late Japanse-Chinese War we got the Island of Foriosa. We got much trouble in the isla-ist as the United States have troubles the Phillippines. When we got Formosa b treaty, at the end of the war we first had to send troops to fight the people and sub-lect them. It was hard and cost much money. It did not pay. This war con-tirted for two years. Even now we have roulde with the rebels that come from the

"I don't wish Japan to take part of China and have the same trouble again. All the Japanese think like this. No foreign territory for us. The Japanese are una monsiy anti-imperialists, as you call them. They see the danger. The Mikuda understands the temper of the people. He objects to the dismemberment of China. No more trouble like Formosa for him. I read this in all the Japanese papers."

FLED ACROSS A DESERT.

Five American Missionaries Reach London After Many Hardships. London, Sept. 25.-The China Inland Mis-

sion has received a cable message announc

ing the murder of eleven missionaries at

Sih-Cheo-Taning-Yah-Yang, in the province of Shan-Si. The American missionaries, J. H. Roberts, Mark Williams, William Sprague, Mrs. Sprague and Miss Virginia Mardock, who scaped from Kalgan, Province of Chi-Li, in June last and were chased by the Boxers across the Gold Desert, traveling thence by the way of Siberia, have reached this city in good health, and will sail on the

Anchor Line steamer City of Rome, which

is to leave Glasgow September 17. A news agency dispatch from Hong-Kong eave that 26,000 Triads have congregated in he neighborhood of Chung-Chuin am threaten to make an attack on Canton,

DOES NOT WANT OUR HELP. London Thinks Our Chinese Policy

Is Weak.

London, Sept. 26, 3:50 a. m.-Only through the Associated Prezz advices from New York, published in this morning's papers, ore the British public learn that the United States and Great Britain are onagain ranged together in opposition to the Continental Powers. Apparently such a grouping was entirely mexpected in both Berlin and London, and, until an official statement is made, comment will be with-

The Daily Chronicle, however, devotes a brief editorial paragraph to the announce ment, expressing a hope that it is erroneous, and declaring that "the only way in which England can reap the fruit of her

BURNING THE CHURCHES. Order Has Not Been Restored in

Li's Province. SPECIAL BY CABLE. Hong-Kong, Sunday, Sept. 21.—(Copyright, 1996, by the New York Heraki Company.)-A mob vestering desitored the Catholic church at Toka-Hang, a few miles from Canton, and offerwards descented the American Dapthst Mission graveyard. Rowdies also destroyed the American Presbyterian church, just entistle Canton. Feeling at Fat-shan is intensitying.

TALK OF RECAPTURING PEKIN.

Chinese Say Li Has Been Ordered to Raise Forces. Shanchal, Sept. E.-It is reported from Chinese sources that the Downger Empress has issued a secret edict commanding Li

Hung Chang to raise an army and recapture Pekin. DEATH OF GRANT'S SPY. Miss Elizabeth VanLew Was Well

Known in the Sixties,

REPUBLIC SPECIAL. Richmond, Va., Sept. 25.-Miss Lizzle VanLew, who acted as a spy here for the Federal army during the Civil War, diel this morning. The services rendered by her to the Union cause during the war were recognized by General Grant, who, upon the evacuation of litebrend, sent an officer and special detail to guard her house. The most netable events in Miss VanLew's eventful career were the aif she gave Colonel Straight and other Federal officers in tunneling out of Libby prison, the constant information which she furnished General Grant when he was around Richmont and the saving of the body of Colonel Dahlgren, the famous raider, who was killed in one of his raids around Richmond. killed in one of his raids around Richmond. These and other services rendered the Federal cause made Miss VanLew the lifelong friend of Grant. She was 83 years oid.
